SCHOOL FEES

Fees are payable monthly, and we do not accept cash payments. **Payments must be made before the 5th of each month**, with proof of payment submitted to the administration. Payment methods include bank deposit, mobile money, bank transfer, POS, or cheques. **Ensure the cashier includes the child's name and month for cash deposits.** Payment must be verified before learners can attend school.

During school closures per the calendar, charges still apply. Extended absences due to family vacations incur charges to retain the spot; failure to pay may result in spot forfeiture, requiring a new registration fee upon return. In cases of force majeure, payments are non-refundable.
